Lockerbie College is truly an amazing school. You feel the warmth as soon as you enter through the door. The students feel the genuine love from the teachers. The school recognizes each individual student's learning style and in turn tailor a teaching programme and time table designed to unlock their potential.

In the public school system, I found tremendous difficulty staying on top of my work load, as I was not learning effectively. Within one term at Lockerbie College I have been able to learn at my own pace and am now receiving a top – notch education.

Prior to starting at Lockerbie College I was out of school for several months due to illness and I was nervous to re-commence school. From my first moments at Lockerbie College, my nerves flew away as I was warmly greeted by students and staff. I am very grateful to Julia, Katherine and everyone at Lockerbie College for their continued support and encouragement.
